MOTOR FLUSH

MF2, MF3, MF8

Cleans engines in 5 minutes. Frees up sludge associated with slow city driving. **IMPORTANT.** MotorMedic Motor Flush is not recommended for Turbo Charged engines, when the Turbo Charger is lubricated by the engine oil. For those applications use **MOTORMEDIC Synthetic Motor Flush for Turbo Charged Gas and Diesel Engines (MFD1).**

APPLICATIONS:

- Cleans engines in 5 minutes
- Use Before Each Oil Change

DIRECTIONS: 1. Check to make certain oil in crankcase is up to safe level. 2. Add MOTORMEDIC Motor Flush to cold engine before changing oil and filter. Idle engine at normal speed for 5 minutes. **DO NOT DRIVE THE VEHICLE.** MOTORMEDIC Motor Flush will circulate throughout the entire lubricating system of your engine dissolving sludge, gums and varnishes from engine and oil pan. It also frees sticking valves and rings. 3. Drain crankcase and remove oil filter. Replace drain plug and install new oil filter. **NOTE:** On engines with 75,000 miles or excessive deposits, remove and clean the oil pan to minimize the risk of engine damage. 4. Refill crankcase with oil. **NOTE:** Extremely dirty engines may require repeat treatment. Follow directions 1 to 4.

STORAGE, HANDLING & DISPOSAL: Dispose of container, residue, and excess product in accordance with all federal, state, and local laws and regulations. **NOTE:** Used oil should always be disposed of in authorized collection stations.

DANGER: HARMFUL OR FATAL IF SWALLOWED. Do not take internally. **COMBUSTIBLE.** Keep away from heat and flame. Product spilled on hot surfaces may ignite. **EYE & SKIN IRRITANT.** Avoid eye and skin contact. **VAPOR HARMFUL.** Use only in well ventilated area.

FIRST AID: **EYE CONTACT:** Flush thoroughly with water for 15 minutes while occasionally lifting eyelids to get prompt medical attention. **SKIN CONTACT:** Wash thoroughly with soap and water. If irritation develops, get prompt medical attention. **INHALATION:** Move to fresh air. If breathing becomes difficult, get prompt medical attention. **INGESTION:** If swallowed, **DO NOT INDUCE VOMITING.** Call Poison Control Center, Physician, or Hospital Emergency Room immediately.

KEEP AWAY FROM CHILDREN AND ANIMALS
